Introducing Truece – the FREE co-parenting management app

truece

Track information on the go. Anytime. Anywhere.

Truece provides a full set of free tools to help manage the details of co-parenting:

» Parenting Time: Track custody history
» Messenger: Send & receive text messages in-app
» Calendar: Update & manage family schedule
» Expenses: Record child-related expenses
» Reporting: Generate reports on parenting history
» *Coming soon – Archiving:* Automatically store information

Use independently or connect with your community

Customize your Truece experience – connect with your co-parent, kids, spouse, legal team, childcare team, and others OR use the app for your own record-keeping purposes.

No hidden fees

Visit truece.com to learn more, download the free beta app,and join the Truece community!
